UPDATES

THANK YOU VOLUNTEERS!

I just wanted to send a note of thanks for all you do and have done to make this year so successful for your child and your child's teacher.

Thank you for your wondrous support of Orca K-8 and all the children it serves.

Thank you for demonstrating to your child how important school is by taking the time from your busy schedule to volunteer.

Thank you for making our jobs easier, not harder.

Thank you for wonderful words of encouragement to your child and to us.

Thank you for understanding when things are crazy on our end and for communicating when things are crazy on your end.

Thank you for investing in your child's future.

Thank you for being a partner in instilling a love of learning that will hopefully be a part of your child throughout their life.

Thank you for all that you do for children.

We value you! We appreciate you! We thank you!

Orca's upcoming 8th Grade Promotion on June 22nd has been rescheduled. We realize that this change of date will be an inconvenience for some families who have guests coming from out of town or have asked for time off work. We recently found out that there was a scheduling conflict with the Premier of a Film happening this same night, which had some of the 8th grade students attending. We thought it best to move the Promotion, rather than have several of the students and their families miss this important occasion.

The date is Friday, June 23 @ 7pm, here at Orca K8.

Again, we apologize for any inconvenience, but we look forward to seeing everyone on Friday, June 23rd.
